finding inner peace inner strength and peace	
peace ~ Smin	
peace ~ Smin peace ~ Smin peace ~ 3min	
□ peace ~ 3 min	
peace is min	
pence ~ 32 min	
~ peace ~ 5 min	
~ peace ~ us min	

Within the screen with a peace search, the user can still search other key terms within the search, so that there is a filter/search for both "peace" and the term being searched for where the search bar auto-fills again.

winon the user searches to a kernord they are

When the user searches up a keyword they are interested in, such as peace, the search bar will try and autofill/search before clicking "enter" and find meditations with that keyword that users may be interested in and can directly click on to begin.

Peace	
peace ~	5 m i'h
□~peace ~	lu min
□ peace ~	3 min
peace	15 min
pence ~	32 min
- ~ peace ~	5 min
□~peace~	48 Min
peace	20 min

Once the user presses enter on the search bar, they are taken to a full screen with all the possible meditations that contain their keyword, and their length. They can even searon furnir within this page.
